

USARAD Holdings Inc. SECONDOPINIONS.COM® Partners With Prestigious Dar Al Shifa Hospital In Kuwait

Fort Lauderdale, Florida (PRWEB) September 02, 2014

USARAD Holdings Inc. a leading US Joint Commission Accredited teleradiology and telemedicine solutions provider, including SecondOpinions.com® – consumer division is gaining international attention with its innovative and technologically advanced services. The telemedicine industry pioneer is now partnering with Dar Al Shifa Hospital in Kuwait.

Founded and established in 1963 as the first private hospital in Kuwait, Dar Al Shifa began as a maternity care hospital with very few beds and has since grown into a 120 bed medical facility including NICU, ICU, CCU, integrated one day surgery ward, 7 OR beds and 9 Labor rooms annually reaching a turnover of 250,000 visits in OPD and 15,000 admissions.

With the vision of providing exceptional quality care, Dar Al Shifa is the first hospital in Kuwait attaining International Accreditation in 2007 (CCHSA) and twice re-accredited in 2010 and 2013 by Accreditation of Canada at a "Platinum" level.

Dar Al Shifa hospital is employing the latest state-of-the-art healthcare solutions, integrating the best research evidence with a highly qualified medical staff, holding internationally recognized certifications and experiences.

In line with the hospital's vision, the Diagnostic Imaging Center offers the most up to date diagnostic technologies; the imaging team is focused on identifying opportunities leading to quality improvements in patient care, reduced turnaround times, efficiency and safety. The Diagnostic Imaging Center at Dar Al Shifa is the first and only one in the Middle East and 4th outside of the United States to achieve an American College of Radiology accreditation for its MRI & CT services and to be awarded with an "Image Gently " logo.

The Internationally accredited Imaging Center at Dar Al Shifa is in compliance with Healthcare Quality Standards and has teamed up with USARAD Holdings Inc. & SecondOpinions.com® to receive quality assurance, second opinion, subspecialty teleradiology and expert telemedicine services. "We are honored to partner with USARAD Holdings and their world renowned radiologists and other medical consultants. Their unique service will further improve healthcare, benchmark our service and will benefit thousands of our patients and the community as a whole," said CEO Ahmad Nasrallah of Dar Al Shifa. Dr. Michael Yuz, founder and CEO of USARAD & SecondOpinions.com added, "We are honored to provide our unique and advanced telemedicine and teleradiology services to such a prestigious institution as Dar Al Shifa. We look forward to bringing first class medical care to the people of the Middle East." Watch this video.
